

**PROFILE OF EXPERIENCE IN SHORT COURSES**

| <b>Course</b>  | <b>Client</b>  | <b>No. of Runs</b> |
|--|--|--------------------|
| <i>Technical Report Writing</i>  | SPDC, CTGW, R & D, NAFCON, MPN, Elf, NGC-NNPC, Addax, MoniPulo | 98 Runs            |
| <i>Presentation Skills</i>   | SPDC, CTGW, R & D, NAFCON, MPN, Elf, NGC-NNPC, Addax, MoniPulo | 86 Runs            |
| <i>Introduction to Petroleum Industry</i>  | Elf Petroleum, Addax   | 8 Runs             |
| <i>Reservoir Simulation</i>  | TOPCON, Elf, Addax, Famfa, NPDC                                | 8 Runs             |
| <i>Time Management</i>   | SPDC, CTGW   | 6 Runs             |
| <i>Well Surveillance &amp; Production Enhancement</i>                                  | TOPCON, AMNI, Addax, Monipulo                                  | 6 Runs             |
| <i>Basic Petroleum Geology</i>   | SPDC (East), Elf, Addax, South Atlantic, NNPC                  | 5 Runs             |
| <i>PVT Analysis</i>  | NNPC,  | 4 Runs             |
| <i>Basic Well Log Analysis</i>   | TOPCON, Famfa, Addax, NNPC                                     | 4 Runs             |
| <i>Crude Oil, Natural Gas and Gas Condensate Reserve Estimation and Classification</i> | Monipulo, General Oil  | 3 Runs             |
| <i>Reservoir Description and Modelling with Geostatistics</i>                          | SPDC, CTGW. Chevron  | 3 Runs             |
| <i>Corporate Dbase</i>   | TOPCON, NAOC   | 3 Runs             |
| <i>General Principles of BHP test</i>  | SPDC (West), TOPCON, Geoservices, R&D                          | 21 Runs            |
| <i>Advances in Petroleum Production Engineering</i>                                    | Famfa, AMNI  | 2 Runs             |
| <i>Biostratigraphy for Explorationist</i>  | NNPC(R&D)  | 2 Run              |
| <i>Fundamentals of Reservoir Engineering</i>   | Elf Petroleum, AMNI, Mobil, Addax, South Atlantic, Moni Pulo   | 12 Runs            |
| <i>Computerized Welltest Analysis</i>  | Oiltest, TOPCON, Geoservices, AMNI, R&D, Addax, Conoil         | 12 Runs            |
| <i>Practical Aspects of Reservoir Description</i>                                      | Addax  | 1 Run              |
| <i>Corrosion &amp; Corrosion Control in Petroleum and Process Industries</i>           | AMNI   | 1 Run              |
| <i>Gaslift Design &amp; Optimization</i>   | Conoil   | 1 Run              |
| <i>Natural Gas Engineering</i>   | Famfa  | 1 Run              |
| <i>Application of Basin Analysis to Petroleum Pay Assessment</i>                       | NNPC   | 1 Run              |
| <i>Coring and Core Analysis</i>  | NNPC   | 1 Run              |
| <i>Elements of Seismic Interpretation</i>  | NNPC   | 1 Run              |
| <i>Hazards in Industrial &amp; Chemical Laboratories</i>                               | PHRC   | 1 Run              |
| <i>Petrophysics</i>  | SPDC (East)  | 1 Run              |
