

ENVIRONMENTAL DEPARTMENT EXPERIENCE

We have an extensive experience in Production Chemistry, Environmental Studies, Microbiology, Food and Beverage analysis etc. Our work spans across land, swamp and offshore environment. Some of our selected experience are captured in the Table below:

S/N	CLIENT	LOCATION	SAMPLE NATURE	Work Scope	YEAR
1	Nigerian Upstream Production Regulatory Commission (NUPRC)	Several fields	Crude oil	Development of crude oil fingerprint database	On-going
2	Platform Petroleum	-	Crude oil	Forensic biomarker fingerprint analysis for oil spill source identification	2021
3	NPDC	Oredo	Crude oil	Geochemical crude oil fingerprint and biomarker analysis for Oredo field, OML 111.	2021
4	NPDC	Gbetiokun	Crude oil	Wax analysis	2021
5	CHEVRON	Amukpe	Crude oil	Crude Assay	2021
6	TOTAL Energies	Ikike and Ibewa	Formation water	Formation water analysis	2021
7	NDPR	Ogbele	Formation/Produced Water	Formation-Produced Water Compatibility Study	2021
8	La Sien Bottling Company	Port Harcourt	Potable water	Water Potability Testing	On-going
9	NNPC-FES	Kolmani River	Formation water	Formation water analysis	On-going
10	NLNG	Bonny	Process/Facility Water	Provision of Analytical Support for Environmental Monitoring	On-going
11	First Exploration and Petroleum Development Company Ltd.	Anyala	Air quality, water, soil, drill cuttings	Provision Post Drilling Monitoring Services for OML 83 and 85	2020
12	First Independent Power Ltd.	Trans Amadi, Omoku and Afam Power Plants	Air quality, water and soil	Health Impact Assessment	2019
13	NNPC/PHRC	Port Harcourt Refining Company	Air quality, water, soil, sediment	Environmental Evaluation and Audit Study of PHRC	2015
14	NAOC	Tebidaba, Ogboinbiri, Clough Creek, Samabrietc	Oil	Crude Oil Fingerprinting	2018

15	Doctors without borders	Port Harcourt	water	Groundwater analysis	2019
16	NAOC	Tebidaba, Clough Creek, Ogboinbiri	Produced Water	Formation-produced Water Compatibility Study for Tebidaba Water reinjection Project	2018
17	BELEMA OIL	Idama and Inda	Oil	Sampling, Wax Characterization and Emulsion Index Study	On-going
18	BW OFFSHORE	ABO FPSO AND SENDJE BERGE	Oil, Water, Oilfield Chemicals	-Production Chemistry, Chemical Optimization and laboratory laboratory support services	On-going
19	BW OFFSHORE	ABO FPSO AND SENDJE BERGE	Potable water	-Potable water analysis	On-going
20	BELEMA OIL	Idama	Unknown solid	Compositional analysis and Characterization	2017-2019
21	BELEMA OIL	Idama	Sand	Grain size distribution	2019
22	LEKOIL	Idama	Produced Water	Metals and Anions	2019
23	ASHARAMI ENERGY	-	Unknown solid	Unknown Sample characterization and Wax Analysis	2019
24	PLATFORM PETROLEUM	-	Oil and Soil	Crude Oil Fingerprinting for Spill Source Identification	2018
25	CHEVRON	Meren, Meji, Okan etc	Produced water	Produced Water Analysis	2018
26	TOTAL	Akpo FPSO	Oil	Wax Analysis	2018
27	WALTERSMITH	Ibigwe	Produced/Injection Water	Water Compatibility Test	2018
28	NECONDE	Odidi & Jones Creek	Produced& Injection water	Water Compatibility Test	2017
29	CHEVRON	Dibi	Oil	Crude Assay	2017
30	ENERGIA	Ebendo	Oil	Crude Assay	2017
31	FRONTIER	Uquo	Produced water/crude oil	produced water/oil analysis	2017
32	NLNG	Bonny	Effluent & Rain Water	Water Analysis	2017
